Hotel Moosbichl - your convenient family-run hotel in Munich

Hotel Moosbichl in Munich is a conveniently situated family-run house with a long tradition. Since 1914 already the hotel has been owned by the Huber family. The hotel is located in the Moosach district that is in the north of Munich, in the nice and quiet environs of the Dachau marshland. Around the hotel you can set out for many nice walks, beautiful cycling trips or longer hiking tours. Yet the hotel is close to all public transportation and you can quickly get to any destination and place of interest in Munich by city railroad, underground, tramway, bus or even by your own car. You can book rooms in our hotel for a good price and during the whole year.
